From Your Local Neighbourhood Policing Team

CRIME IN YOUR AREA

Did you know you can obtain crime statistics, crime outcomes and recent convictions?

www.police.uk gives you access to local crime and policing information for your postcode area.

PRIORITIES

PACT meetings are an opportunity to share policing concerns and set priorities for the police to focus on.

Our Local Priorities in your neighbourhood:

- Speeding Broadgate Lane (daily)
The speed gun and SID (speed indication device) have been deployed. Motorists have been issued warning letters and speeding tickets.

LOCAL NEWS

The Allotments on King Edward Avenue have been targeted recently. Although nothing has been stolen, it seems suspects have damaged a lot of the sheds, particularly the doors and locks.

There has been £400 worth of damage caused to the roof of St Mary's Church on Broadgate Lane. It is believed that this has been caused by youths climbing on it.

Earlier this month in Horsforth a male was sighted on Low Lane who was recognised as 'wanted' by the Police. On sight of the Police the male attempted to flee, however failed and was subsequently arrested.

And finally, a multi agency meeting was held in relation to tackling the issue of ASB on the St James estate in Horsforth. A number of partners agencies are involved and some positive outcomes and further action to be taken.

ANTI-SOCIAL BEHAVIOUR

North West Leeds are committed to reducing acts of ASB and we want to assure you that every effort is being made to deal with such incidents, in an effort to make your neighbourhood a better and safer place to live and visit. We have been working hard with partners to tackle the problem because we recognise that ASB is a priority for you and other residents in your community.

Although incidents of ASB are on the decrease across North West Leeds, we recognise that we still have work to do to address what is, in many instances, a wider social problem. We have a dedicated team of specialist officers (ASB Link Officers) to work alongside NPT and partners, such as Safer Leeds, part of the Local Authority aimed at reducing crime and the fear of crime in communities around Leeds.

Below are some contact details which you may find useful:

- Leeds Anti-Social Behaviour Contact Centre: 0113 222 4402
- Environmental Services (noise, litter, graffiti): 0113 222 4406
- Noise Problems (emergency out of hours only): 0113 242 5841
- West North West Homes Leeds: 0800 915 1113
- Student Related Neighbourhood Helpline: 0113 343 1064

If you have any information about ASB or to report ongoing instances of ASB, please contact the non-emergency 101 number, or alternatively call Crimestoppers anonymously on 0800 555 111. Please use 999 in an emergency only.

EXPLORER PROGRAMME 2014

'Explorers' is a programme for young people aged 16-18 to investigate aspects of policing and support communities through volunteering. It is delivered over 25 weeks from January to July. Explorers are required to attend weekly sessions held at Police Stations across West Yorkshire. For North West Leeds this will be Weetwood Police Station. There are also occasions where groups come together for combined sessions, or take place at specialist locations elsewhere.

What does it consist of?

It comprises of core sessions from departments including Custody, Roads Policing, Hi-Tech Crime, Counter-Terrorism and Homicide & Major Enquiry Team. In addition there are sessions chosen by the Division which may include NPT deployment, Public Order Training, weapons and drug awareness. The Programme culminates in an Awards Evening.

Applicants must:

- Be aged 16-18 years when the programme starts in January
- Live in West Yorkshire
- Be able to commit to Wednesday evenings for 2 hours, throughout the whole of the course
- Be enthusiastic about the Police and interested in the community

Further Information

Recruitment is open for new applicants via:

PREVENTING VEHICLE CRIME

Alarm or Immobiliser?

Vehicles that are fitted with alarms and immobilisers are, generally speaking, less likely to be stolen.

Where should I park my car?

The safest is a locked garage. If this is not possible use the driveway or road immediately outside your home. In a town centre the safest place is a car park with the 'Secured Car Park' award. Always try to park in a well-lit open location and double check doors, windows, sunroof and boot are closed and locked. Use security devices such as alarms, immobilisers and steering locks. Never leave the key in the ignition - even in your own driveway.

Is it easy to steal from a car?

It takes seconds to take valuables out of a car. Don't make it easy. Never leave a car door unlocked or a window or sunroof open even at a filling station or outside a shop. Never leave vehicle documents in the car. Nothing of any value should be left on display - even a coat or bag might tempt a thief into believing it contains something of value. Lock anything of value in the boot or better still remove it completely from the vehicle. If you have alloy wheels get them permanently marked and have the car registration number etched on all the car windows.

NEIGHBOURHOOD WATCH CONSULTATION EVENT

West Yorkshire Police are extremely grateful for the time our Neighbourhood Watch Co-ordinators commit to the Neighbourhood Watch partnership and the difference that it makes in the community. Our partnership has resulted in the prevention and reduction of crime across West Yorkshire, as well as addressing important issues such as the fear of crime, ASB and making our communities safer for everyone. It is important that our partnership continues to develop and that co-ordinators and members receive support in their vital role. With this in mind a review of Neighbourhood Watch is taking place, the main aim of which will be to improve and enhance the partnership.

A consultation event will take place in every Division across the Force, as it's very important that the views of scheme members are at the heart of recommendations.

As a NHW Co-ordinator or member if you are interested in attending the North West Leeds consultation on Tuesday 17th September, please register your interest via email to: aa.nwlntpsupport@westyorkshire.pnn.police.uk or telephone 0113 241 3419. Please note that the event is limited to 50 people, so places will be allocated on a first come first served basis. Confirmation will be provided if you have secured a place.

NEIGHBOURHOOD WATCH E-LEARNING RESOURCE

Neighbourhood Watch is the largest voluntary crime prevention group in the country. It is based on the idea of communities coming together to reduce crime and increase community cohesion.

To support you and your scheme, the link below will direct you to our online neighbourhood watch and crime prevention training:
