LOCAL NEWS

A 31 year old female has been arrested and reported to court for driving whilst over the prescribed limit of alcohol. The vehicle she was driving was involved in a traffic accident on King George Avenue, Horsforth.

On Low Lane a 31 year old male from Rawdon was stopped and spoken to as part of a routine stop. He was found to have a small amount of cannabis on him and he has received a Police Caution.

The allotments on King Edward Avenue were targeted earlier in the month; although nothing has been stolen, it seems that suspects have damaged a lot of the sheds, particularly the doors and locks. Enquiries are ongoing in relation to this.

A number of burglary other offences involving break-ins to sheds have been recorded and thefts from insecure vehicles. Officers continue to check for insecure properties and vehicles during daily patrols.

Burglaries increase when it gets dark

AUTUMN WINTER BURGLARY CAMPAIGN 2013

Burglary continues to be a major issue and priority for the Force and now that autumn has arrived and the evenings are getting darker earlier - this often leads to an increase in burglaries.

The campaign, which will run from September to January, is to encourage everyone to think about their home security.

The campaign titled 'It Only Takes a Minute' as it only takes a minute to lock doors and windows but it's also the same amount of time it could take a burglar to enter your house and steal your belongings.

- It only takes a minute to lock up and secure your home.
- It only takes a minute to hide valuables out of view.
- It only takes a minute for a burglar to enter your property and steal your belongings.
- Try to change your habit if you don't lock your door behind you.
- Door chimes, burglar alarms and CCTV will deter a burglar.
- Check alarms and external lights are working and use them.
- Being a victim of burglary can have emotional & financial effect
- Many insurance companies will not pay out if your home has been burgled while insecure.
- Don't leave garden tools outside, as they can be used by burglars.
- Dispose packaging for expensive items properly; don't advertise what is in your house.

SCHOOL PARKING RESPONSIBILITIES

Local schools have recently invested in banners which are designed to urge parents and carers to park responsibly around schools across North West Leeds Division. They also have a supply of leaflets to target offending vehicles, which explain:

Responsibility

It is a parent's responsibility to see their child safely to and from school, but in doing so they should not create danger to others

School Entrances

If you travel to school by car, do not stop (even to drop off or pick up) on the School Keep Clear Markings. Don't be pressured by bad weather into parking close to the school.

Do not park on pavements

Inconsiderate drivers who park cars wholly or partially on the pavement cause danger to pedestrians, especially children and mothers with pushchairs.

Do not obstruct

Parking across or near residents driveways obstructs the view of those trying to manoeuvre in and out of them. It is also anti-social behaviour.
