

Horsforth Neighbourhood Development Plan

Leeds City Council and Horsforth Town Council

Joint Response to Examiner's Questions 10 September 2019

Leeds City Council and Horsforth Town Council have prepared this joint response to the Examiner's Question, received on 10 September.

- 1. It would be helpful to have the breakdown of the survey supporting Policy ES1 for each of the three locations. The key information is a % breakdown between uses for each area as is provided for them all in the three bullets near the bottom of page 33 of the Plan.**

The % breakdown is provided below as requested. In preparing this information, the Town Council has noted a number of inaccuracies in the text on page 33, highlighted in yellow and bold text below.

- Non-A1 retail uses accounted for some 49% of all ground floor level shop units surveyed;
 - Town Street 48%
 - Horsforth New Road Side 55%
 - Horsforth Station Road 36%
- A2 (Professional and Financial Service) and A3 (Restaurant and Café) uses together accounted for almost 14% (**should read 20%**) of all ground floor level shop units surveyed;
 - Town Street 22%
 - Horsforth New Road Side 24%
 - Horsforth Station Road 12%
- A5 hot food takeaway uses accounted for 7.6% (**should read 13%**) of units (NB 22 (**should be 38**) units) surveyed.
 - Town Street 11%
 - Horsforth New Road Side 15%
 - Horsforth Station Road 19%
