- a. The terms of reference were noted

6. Ongoing

- a. To consider attending Otley TC NPWG meeting
 - i. It was agreed to defer this item

- i. Future CIL allocations
 - 1. It was noted that the group responsible for CIL allocation had disbanded, as all remaining CIL has been allocated to 3 & 5 The Green. There was therefore no update.
- ii. Feedback from the C&E Committee
 - 1. Cllr Gains was unable to attend the prior C&E committee meeting but Cllr Goulden had attended as substitute. There was no update at last week's meeting. C&E had reviewed the action list and approved the progress. There is action ongoing around hanging baskets and the biodiversity policy.

- h. To agree a date for a workshop reviewing the NP policies as well as their effectiveness**
 - i. Cllrs expressed a desire to complete this workshop in the next 6-8 weeks but understood that this depended on the availability of a facilitator. It was suggested that the preference would be to use Ian McKay as he had offered his services for free here. However, it was raised that Mike Dando provides

independent advice. It was agreed that Ian should be approached in the first instance to ascertain if he was still able to offer the workshop and to determine his availability. It was also agreed that two quotes should be obtained from Mike, the first to facilitate a workshop, and the second to review the findings of any workshop facilitated by others.

1. **ACTION:** Approach Ian regarding a policy workshop session.
2. **ACTION:** Approach Mike to obtain a quotation to facilitate both a workshop session, and to review the outcome of any other workshop session.
