Simon Dowling	Dawn Collins	Richard Hardcastle	Dave Brosnan	Francesca Gains
Eddie Hyndes		Tracy Stones	Mark Fletcher	Aiden Goulden
Raymond Jones		Julio Tumalan	Cathy Gillinder	
John Garvani			Gill Garvani	

In attendance: Becky Crabtree – Clerk, 3 members of public, PCSO Julie Richardson, PC Carlton Russell and 2 representatives from Horsforth Climate Action

HTC/25.20 Introduction from Chair

Cllr G. Garvani welcomed everyone to the meeting and extended a warm welcome to newly elected Cllr Radford

HTC/25.21 To receive apologies for absence and to consider and approve the reason for the absence Apologies were received from Cllr Wishart, Cllr Richards, Cllr Heaviside and reasons were approved.

HTC/25.22 Declaration of Disclosable Pecuniary and other Interests None declared.

HTC/25.23 Public Participation

One member of the public raised concerns about No.3 The Green, including the size of the main room and the limited space, the main entrance and its accessibility, and the cost of running the space outside of business hours. He also offered to assist the Town Council, noting his experience in managing a community space.

Another member of the public expressed full support for the community space but asked the Town Council to provide more detail on the project's process and to clarify where the original cost figures had come from

Additionally, Cllr G. Garvani reported that some questions about the project had been submitted via email. She confirmed that all questions raised both at the meeting and via email would be answered and published online by Monday, 21st July 2025.

HTC/25.24 Police report

25.24.1 To note and consider the latest crime statistics for Horsforth

PC Russell and PCSO Richardson attended the meeting and provided crime statistics for the period from 9th June to 16th July 2025. During this time:

- 14 burglaries occurred at business premises
- 9 residential burglaries were reported
- 5 vehicles were stolen

4 incidents involved theft from vehicles

The 14 business burglaries were linked to a single individual, who has now been charged and remanded in custody.

25.24.2 To consider any other policing matters.

Residents and business owners were advised to ensure that vehicle keys are kept out of range of keyless entry devices to prevent theft.

An incident in Horsforth was highlighted where a suspect was located by PCSO Richardson while she was working overtime and he is now remanded in custody for burglary offences. Her efforts were praised, and it was noted that they frequently work 2–3 hours of overtime.

Cllr Dowling thanked PCSO Richardson on behalf of the Town Council. He raised concerns about a possible increase in antisocial behaviour during the summer holidays and asked what steps were being taken to address this. It was confirmed that a preventative and robust approach is in place. Officers are working closely with youth services and attending youth clubs to engage with young people.

It was also noted that the police team has increased in size and are now deploying in 2–3 cars each night. This enhanced visibility is having a positive impact, with a noticeable reduction in antisocial behaviour in targeted areas.

Officers reiterated that all crime should be reported directly to the police, not via social media platforms.

Cllr Radford reported sightings of vehicles travelling the wrong way up Town Street, which is a one-way road. PC Russell agreed to contact the company identified as being involved.

Cllr Goulden enquired about police efforts to reassure the public. It was agreed that more positive stories and updates should be shared to highlight the proactive work being done to combat crime.

HTC/25.25 Horsforth Climate Action

Two representatives from Horsforth Climate Action attended the meeting to provide councillors with further information about the Nature Recovery Plan. It was noted that a meeting had taken place the previous week, attended by 35 people.

The representative outlined the ongoing work being carried out and emphasised the core principles of the plan, including:

- Nature sites need to be bigger, better, and more connected.
- The current state of nature in Horsforth must be investigated.
- Ongoing surveys are being conducted, with key habitat sites being recorded on a map of Horsforth.
- Leeds City Council (LCC) has an interactive map of wildlife sites and habitat networks

Key obstacles to nature recovery were discussed, including:

- Roads and infrastructure
- Pesticide use
- Light pollution affecting biodiversity
- Limited public awareness and engagement

The representative stressed the need for increased engagement with residents and businesses to raise awareness of biodiversity and environmental issues.

Further points highlighted included:

- The importance of protecting existing nature sites and wildlife corridors
- The ecological value of local waterways including the canal, river, and becks which need to be carefully maintained
- Plans to identify new sites, upgrade existing ones, and explore ways to link them
- The potential role of private gardens in supporting biodiversity
- The ongoing need to educate schools, churches, and businesses about nature recovery

 \mbox{HCA} expressed a strong interest in working with the Town Council to engage the wider community.

It was also noted that HCA will be holding a Green Festival on 21st September 2025.

Cllr Gains thanked the representative and noted that she and Cllr Bromley are already working with HCA reviewing the Town Council's Biodiversity Policy, and there will be public engagement at the Green Festival, where the Town Council will have a stall.

Cllr Collins thanked the representative and asked for specific suggestions on how the Town Council can support HCA's work.

Cllr Gillinder stated that she had attended the recent meeting and found it very informative.

Cllr Goulden noted that the Neighbourhood Plan (NDP) sets out environmental requirements and is currently under review. He encouraged HCA to participate in future NDP consultations.

Cllr Radford pointed out that while the current NDP includes policies on preserving open spaces, it does not specifically reference corridors. He recommended that this be considered during the review.

Cllr Collins added that the LCC Core Strategy does include corridors and suggested this could be referenced as part of the review process.

HTC/25.26 To approve the minutes of the Full Council meeting held on 29th May 2025.

Resolved to approve the minutes of the Full Council Meeting of the Town Council held on 29th May 2025 as a true and accurate record.

HTC/25.27 To receive an update and note previous minutes for the following committees.

25.27.1 Finance and General Purposes

The minutes were noted.

25.27.2 Planning, Licensing and Traffic

i. To consider a recommendation to establish a Local Plan Working Group and adopt the Working Group Terms of Reference

Resolved to establish a Local Plan Working Group and Cllr Brosnan, Cllr Goulden, Cllr J Garvani, Cllr Gains, Cllr Dowling, Cllr Jones were appointed as members. The Terms of Reference was adopted with an amendment to grant the working group the authority to engage with the community as part of its remit.

25.27.3 Community and Environment

The minutes were noted.

25.27.4 Staffing and Employment

There was no update to provide at this time, as no meeting had taken place.

HTC/25.28 Financial Matters.

25.28.1 To consider and approve the accounts to 31st May 2025

Resolved to approve the accounts to 31st May 2025 and the accounts to 17th July 2025 as provided by the Clerk before the meeting.

25.28.2 To approve the Schedule of Payments and Income

Resolved to approve the schedule of payments. See Appendix 1.

25.28.3 To consider and resolve to seek the approval of the Secretary of State for Housing, Communities and Local Government to apply for a loan from the Public Works Loan Board (PWLB) in the amount of £200,000 to be repaid over a term of 40 years for the purpose of completing both Phase 1 and Phase 2 of the renovation No. 3 The Green, including the provision of fixtures and fittings, in order to ensure the building is fully completed, equipped, and open for community use in 2025.

Clir Dowling provided further information to councillors regarding the proposal and clarified that any resolution would be subject to the outcome of the current public consultation, and would only proceed **if the current public consultation results in a majority in favour.**

Resolved to seeks authority from the Secretary of State for Levelling Up, Housing and Communities to borrow £200,000 from the Public Works Loan Board for a borrowing term of 40 years. The loan will be annuity based at a fixed rate of interest of 6.18% and annual loan repayments will be in the region of £13,508.32.

Resolved that if authority is received from the Secretary of State, the Town Clerk is authorised to make an application to the Public Works Loan Board for the loan with supporting documents. **Resolved** that the Town Clerk is authorised to vary the application in consultation with the Chair and Vice Chair to reflect any changes in interest rates before borrowing approval is confirmed. Additionally, it was noted that the TC had already agreed at the Full Council meeting held on 29th May 2025 that any underspend within the premises budget is to be allocated to designated reserves, with the intention of making lump sum repayments on either of the Town Council's existing loans every 5 to 10 years.

A recorded vote was requested and all cllrs present were in favour.

HTC/25.29 To consider matters requested by the Councillors/Clerk/Committee and agree any necessary action:

25.29.1 To receive an update from the Premises Development Working Group

Cllr J. Garvani reported that Phase 1 of the project—which includes the ground floor works, lift installation, and access to the Museum—is now expected to be completed by the end of September. It was noted that contractors have currently paused work, as the lift is still in manufacture. Additional works are required to improve first-floor access to the Museum. Unfortunately, due to space limitations, it will not be possible to include a Changing Places toilet, and this was discussed. Options are being explored to enable external public access to the toilet facilities.

The Clerk confirmed that she has now received the Museum's solicitor details, and the lease is expected to be finalised shortly.

25.29.2 To consider and agree any necessary amendments to the Committee/Working Group membership.

The membership was reviewed and amendments were agreed. See Appendix 2.

25.29.3 To receive an update on the floral displays and review the current arrangements

The Clerk reported that she had been liaising with the contractor responsible for watering the floral displays, following correspondence received regarding concerns about the displays during the current warm weather. It was noted that the displays require more frequent watering in such conditions, which would result in increased costs. However, it was also acknowledged that any approach must remain sustainable. The current contract was reviewed, and it was **resolved** to continue with the existing arrangements.

25.29.4 To resolve to exclude members of the press and public under the Public Bodies (Admissions to Meetings) Act 1960, due to the nature of the business at item 10.5 being prejudicial to the public interest.

Resolved to exclude members of press and public under the Public Bodies (Admissions to Meetings) Act 1960, due to the nature of the business at item 25.29.5 being prejudicial to the public interest.

The members of the public and press left the room.

25.29.5 To receive an update about the Admin Assistant and consider and agree any necessary action The Clerk provided an update regarding the Admin Assistant. The recommendation discussed at the meeting held on 29th May 2025 was considered and approved. In addition, further arrangements were agreed upon to support the role as needed.

The members of public and press entered the room.

HTC/25.30 Reports from external organisations

To consider reports and any action required in relation to:

25.30.1 Dementia Friendly.

Cllr Fletcher provided the following report in advance of the meeting:

A number of successful events took place in Horsforth as part of the national Dementia Action Week (19th – 25th May).

Once again we had a visit from the Dementia Bus, which aims to give people a taste of how the world is perceived by those living with dementia. The bus attracted about 60-70 participants, including some Leeds City Council employees, members of a general practice team and members of the fire service. Some people who have already been diagnosed with dementia also took part. Many people who went on the bus found it a disconcerting experience, but there was an opportunity for participants to give feedback and a debriefing afterwards and refreshments were also available.

Additionally there were some dementia information sessions at Right at Home and Methodist Homes for the Aged (MHA), a live music event, a show and tell by Carol Shaw from Dementia Friendly Horsforth (DFH), and a very enjoyable quiz night at the Old King's Arms, with a raffle which raised £167 for DFH towards hosting future events.

The Age Without Limits event held at Leeds City Museum on June 11th, and organised by Leeds Older People's Forum, was attended by some members of DFH. The event aimed to challenge negative stereotypes about aging and promote a more positive view of growing older.

The M&S Archive provided a memory box for an event held on 2nd July. This consisted of a selection of items ranging from the 1930s to the 1980s taken from the archive, which provided plenty of memory and conversation prompts for the people with dementia and their carers who attended. It is hoped that this event can be repeated in the future and also that a trip to the archive itself can be arranged, which is situated at the University of Leeds and contains 75,000 items.

There will be a tea dance taking place at the re-opened library ballroom on Tuesday 23rd September from 10am to 1pm. Cllr Ray Jones has generously given £500 of MICE money towards this. More details of the event itself (e.g. live music) will be confirmed nearer the time.

25.30.2 Horsforth Fairtrade

No update.

25.30.3 Young People's Champion

No update.

25.30.4 Horsforth Climate action

Cllr Gillinder provided the following report in advance of the meeting:

Following on from Horsforth Climate Action receiving The Heart of Horsforth Environmental Award, a well deserved recognition of their work in our community, they have continued with ongoing and new initiatives.

These include: (list not exclusive)

- Monthly Repair Café
- Community Composting, the latest community site being on Drury Field
- Mapping of Public Green spaces where nature is being helped
- Bioblitz Horsforth finding and recording the different plants and animals
- Wildflower Planting
- HCA Saturdays eg: Gardening, Eco-threads, Tech recycling, Sustainable travel, Apple Day

Affiliated group The Community Garden Project in Hall Park is flourishing due to the support of a dedicated group of volunteers, which has recently included men seeking asylum who are staying in a local hotel. The community garden has hosted many young people, from local schools and other organisations, who have learnt more about growing food and local nature.

Walk to School Week in May, a project involving local primary schools which included pollution monitoring, tree measuring and identifying and recording plants.

Biodiversity and planting conversations have been had with town and city councillors to work together on sustainability issues for Horsforth.

An open community meeting to discuss a nature recovery plan was organised on 10th July by HCA in conjunction with Leeds Trinity University. More information and outcomes from this to follow.

A Green Festival has been organised which will take place in Horsforth Hall Park On Sunday September 21st, 11.30 -3.30. Horsforth Town Council will have a stall at this event.

Funding for all this, the part time hub worker, awareness raising, and the many projects undertaken have come from Climate Action Leeds, a lottery funded 5 year project, which ends on 30th September '25.

HCA are unsure where future funding might come from so are carefully considering viable ways to continue their work.

25.30.5 MHA Communities

No update.

25.30.6 Peace Champion

No update.

HTC/25.31 Council Surgery

Cllr Fletcher and Cllr Hyndes agreed to attend the next council surgery on 25th September 2025.

HTC/25.32 Items for future agenda

HTC/25.33 Date of next meeting

Resolved that the next Full Council meeting is to be held on 25th September 2025 and the deadline for agenda items is 15th September 2025.

Planning, Licensing & Traffic Committee Minutes Thursday 14th August 2025 at 7pm Horsforth Museum, 5 The Green, Horsforth, Leeds LS18 5JB

Present: In Chair – Vice Chair Cllr D Brosnan, Cllr G Garvani substituting Cllr A Goulden, Cllrs J Garvani and E Hyndes

In attendance: Administration Assistant Steph White, Cllr R Jones and nine members of the public.

PLT/25.26 To receive apologies for absence and to consider the reason for the absence

Apologies received from Cllrs A Goulden, R Hardcastle and B Cousins and their reasons were approved.

PLT/25.27 Declaration of Disclosable Pecuniary and other Interests

Cllrs G Garvani and J Garvani are neighbours of the residents of the property regarding application number 25/04449/FU. They did not take part in the discussion of this planning application. Application number 25/03109/FU is in relation to the council building. The committee did not comment on this application.

PLT/25.28 To consider questions and comments from members of the public at the Chairman's discretion.

Members of the public were in attendance to discuss item PLT/25.37 Leeds City Council Core Strategy and Site Allocation Plan.

PLT/25.29 Minutes of the previous meetings

Resolved to approve the minutes of the meeting held on Thursday 10th July 2025.

PLT/25.30 Leeds City Council Planning Decisions

The planning decisions were noted.

PLT/25.32 New Planning Applications

30.1 To note the planning applications received since the meeting held on 10th July 2025 and the comments made by the Proper Officer whilst she had delegated powers to comment. See agenda pack.

The comments submitted by the Proper Officer for recent applications were noted.

30.2 To consider and comment on planning applications received from Leeds City Council since the last meeting of the Committee.

Resolved to comment on the planning applications as per Appendix 1.

PLT/25.31 Planning Appeals & Planning Appeal Decisions

No planning appeals to note.

PLT/25.32 Planning Enforcement

No planning enforcements to note.

Horsforth Town Council, Planning, Licensing and Traffic Committee, Minutes 14th August 1025

PLT/25.33 Licensing Applications

The licensing applications were noted.

PLT/25.34 Traffic

To consider and approve any action in relation to traffic issues, including the following:

34.1 Complaints

To discuss a complaint received regarding vehicle users exceeding the speed limit on King George Road

Agreed to refer the complaint to the Police.

34.2 Traffic schemes

To consider the decision made to introduce parking charges at the Fink Hill car park.

To note. It was agreed to monitor the displacement of cars in the local area around the car park one the parking charges come into force.

34.3 Speed indicator device (SID) updates and any data

Steph awaiting details from LCC regarding the hire of the temporary SID.

The software is not compatible with Mac computers. Cllr J Garvani to contact highways to see if alternative software can be used.

PLT/25.35 Leeds Bradford Airport (LBA)

To consider the following:

35.1 Leeds Bradford Airport Consultative Committee

No updates to note.

35.2 Leeds Bradford Airspace Change – to receive and note updates (if any)

No updates to note.

35.3 Any other matters relating to Leeds Bradford Airport (LBA).

Nominate Cllr S Dowling to take over as representative of the Airport Consultative Committee.

PLT/25.36 Neighbourhood Plan.

No updates to note.

PLT/25.37 Leeds City Council Core Strategy and Site Allocation Plan

To consider and approve the minutes and recommendations of the Local Plan Working Group meeting on 24th July 2025, including the Appendix containing the proposed response from the Town Council to the LCC site allocation plan consultation.

The minutes and recommendations from the Local Plan Working Group meeting were agreed.

Members of the public were in attendance to discuss. See appendix 2 for the group's comments. It was agreed that Horsforth Town Council is unable to support the printing of flyers for members of the public. It was also reiterated that the consultation is not being carried out by Horsforth Town Council and that the local plan consultation is the responsibility of Leeds City Council although we have carried out some publication of the consultation at some events such as the Farmers' Market, Breeze and online. Horsforth Town Council will a request for a public meeting with Leeds City Council but cannot make a promise on their behalf.

It was noted that the initial screening score for the Kemp land is extremely low, which reduces the chances that this land will be allocated for development considerably. Many of the points are already reflected in the response to the consultation that Horsforth Town Council were formally agreed. The full response will be publicised on Horsforth Town Council Website and social media platforms.

PLT/25.38 To consider correspondence received and agree any necessary action

No correspondence received.

PLT/25.39 Matters for information.

Horsforth Town Council, Planning, Licensing and Traffic Committee, Minutes 14th August 2025

Advertisement change for The Candy Shop on Town Street. Application number <u>25/04662/ADV</u>.

The committee agreed to submit the following objection:

The advertisement is located within Area 1 of the Horsforth Character Areas and is therefore covered by adopted Neighbourhood Plan Policy BE1. The lighting and signage does not reflect the existing historic streetscape of Town Street in terms of its scale, nor its quality, nor the materials in use as part of the signage.

The advertisement is also covered by Neighbourhood Plan Policy BE2. The shop lighting is not in keeping with neighbouring shops, and provides a significant lighting contrast. The lighting is also a considerable source of light pollution and could disturb those living in Quarry Terrace, adjacent to the shop. Finally, the advertisement/lighting is clearly used primarily to create a presence at night.

The advertisement is against the adopted Neighbourhood Plan and therefore the Town Council must object to this application on these grounds.

PLT/25.40 Items for future agenda

No agenda items were requested.

PLT/25.41 Date of the next meeting
Next meeting of the Committee: 18th September 2025

Appendix 2 PLT/25.37 - Comments from residents regarding Leeds City Council Core Strategy and Site Allocation Plan

Hello Steph/councillors

It was good to meet you all at the planning meeting last night.

Please let us know if we can print the flyer we are preparing at the council offices. We need to get these distributed asap so a quick response would be appreciated.

We promised to send in our list of key concerns about the land allocation discussions - see below.

Our comments focus on the area nearest to us but we are very concerned about other areas including the solar farm area on the Billing which would destroy a beautiful area. If this is indeed for the airport (as indicated by their ceo at a recent meeting) surely they could have incorporated this somewhere on their brownfield land or their new buildings! The airport management team appear determined to destroy parts of our area with no concern for the impact on health and well-being of local people and our environment.

For your information I have also now been advised that farmer Kemp who owns the west end lane land had not put his land up as a suggestion for building on, this was done by a developer. It seems bizarre

that a developer can just identify a piece of land and put it forward without any discussion with the owner!

Please let me know how the City and Town council will ensure that more people are aware of this issue as agreed last night. I appreciate that you need to liaise with John Garvani re some of this. I have copied John in for ease.

As we demonstrated last night the majority of people are not aware of the matter or how to make their feelings known. Also not everyone can respond online so the minimal communication about this that we have had hasn't been inclusive to those you can't access social media or reply online. John Garvani mentioned the library but not everyone goes there. Surely this doesn't meet requirements around inclusivity and access re consultations?

We also shared that confusion has also happened at the meetings held with incorrect information being given by a speaker re who makes the decision on which land is put forward to government. In addition not having a meeting in Horsforth was a serious omission and one which we hope will not be repeated in future.

Key concerns of the Westway resident's group are:

The loss of the green belt.

Any development would result in the loss of green open space, habitat for nature, and affect an area that includes part of the 'Leeds Country Way'.

Our green spaces are precious. Poor mental health is recognised as a huge health issue with massive impacts on individuals, famillies, society and ultimately the economy. It is vital that people have easy access to green open spaces to walk, relax and spend time in.

We do not have the infrastructure to support more housing. Our roads are already very badly congested; it is increasingly difficult to get a doctor's appointment; our schools are full and the impact on our environment would be extremely detrimental.

More cars on our roads would also compromise the safety of our roads. The area has an inability to cope with yet more traffic. We have not felt the full impact of the development at the old college site and that will already put even further pressure on our already congested roads.

West End Lane leading to West End Rise is a narrow, country style road. The road already has constant water leak issues with water running down the road at most times of year. Flooding would be a real concern if areas of natural drainage were replaced by housing and hard structures.

There is a massive mains gas pipe running across the area. This is marked.

The site is used both as working agricultural land and also as a Pick Your Own fruit, flowers and pumpkins etc.. During the different seasons the fields provide thousands of people from the local community with a meaningful way to connect with the natural environment. Literally hundreds of families, many with small children arrive each week to pick their own strawberries, raspberries and flowers amongst butterflies and nature. Any development would remove an important community asset and the opportunity for this engagement with countryside.

Lack of Conservation of the Natural Environment - there is lots of wildlife in the area including foxes and wild deer. Their natural habitats would be destroyed by the development of this area.

An overall negative impact on the landscape and environment of Horsforth, Rawdon and the surrounding areas.

Loss of the individual identity and the intrinsic character of Horsforth - the town appears in the Domesday Book as Horseford. The size of the land areas put forward for consideration by developers/owners would merge areas and we would lose our individual identities.

The combined fields are an integral part of the landscape of Horsforth. The current vista provides views of the natural landscape stretching through the Aire Valley right up towards the distant hills of Shipley Glen. If developed this connection local people have with their natural environment will be lost and beautiful views will be destroyed. For those looking towards Horsforth their experience will also be massively impacted and the area just look like urban sprawl with no little green space.

Billing area - solar panels

Public Rights of Way AIREBOROUGH 81, 83 and 140 run along/perimeter to the site, providing valued recreational routes used by walkers. These paths currently deliver open, rural views across farmland between Horsforth and Yeadon. The introduction of extensive solar panels, security fences and associated infrastructure would significantly harm the visual amenity, tranquillity and rural character of these routes. Such impact conflicts with the NPPF's requirement to "recognise the intrinsic character and beauty of the countryside" and Leeds Local Plan policy to protect public rights of way. Please advise me re the printing request in the next few days as getting these out will take time.

Also I would appreciate details of what additional measures the council will undertake to reach people who may wish to comment on this matter and make it easy and accessible for them to do this. As stated due to the lack of engagement many people are not currently aware of this.

Kind regards

In attendance: B. Crabtree – Clerk, Cllr Bromley

CE/25.18 Introduction from Chair

In the absence of Cllr Cousins and Cllr Dowling, Cllr Fletcher was appointed Chair of the meeting and welcomed all present.

CE/25.19 To accept apologies and the reason for absence

Apologies were received from Cllr Cousins, Cllr Richards, Cllr Dowling, Cllr Gains, Cllr Wishart and reasons were approved. It was noted that Cllr J Garvani, Cllr G Garvani, Cllr Jones and Cllr Goulden were in attendance as substitutes.

CE/25.20 Declaration of Disclosable Pecuniary and other Interests

Cllr Goulden and Cllr Gillinder declared an interest in Item CE/25.24.

CE/25.21 To consider questions and comments from members of the public at the Chairman's discretion Cllr Bromley was in attendance to give an update about the floral displays. See Item CE/25.28.

CE/25.22 To approve the minutes of the Community and Environment Committee meeting held on 5th June 2025

Resolved to approve the minutes of the meeting held on 5th June 2025 as a true and accurate record.

CE/25.23 Grant/Sponsorship

25.23.1 To receive feedback from previous applications/sponsorship

The Clerk provided feedback received from The Grove Methodist Church.

25.23.2 To consider grant and sponsorship applications received

Resolved to grant £500 to Walk of Art towards a community event being held in February 2026.

CE/25.24 The Heart of Horsforth Awards Scheme

The nominations for the Heart of Horsforth Awards Scheme were considered and the winners were confirmed.

CE/25.25 Events

To receive updates/feedback from the Events Working Groups and agree any necessary action:

that a press release will be issued prior to the event regarding the sapling planting.

25.25.1 Annual Event

Cllr Gillinder reported that arrangements are in place for the Town Council's stall at the Green Festival on 21st September 2025. The saplings will be planted by Cllr Hyndes, the Council's Peace Champion, and Richard Outram, Secretary of UK/Ireland Mayors for Peace, will be in attendance. The stall will include information on the Neighbourhood Plan and the maintenance of green spaces, details of the litter picks, and a residents' survey on the floral displays in Horsforth. It was agreed

Resolved to approve the first aid quote for £685 (R. Service and Christmas Event), stage (R. Service) for £363.90 and waive the requirement to seek three quotes.

25.25.2 Christmas Event

It was noted that the working group is due to meet on 8th September 2025.

Resolved to approve the road closure quote for £1675 and waive the requirement to seek three quotes.

CE/25.26 Editorial Working Group

The Working Group is due to meet on 8th September 2025, and it was suggested that the next edition of Horsforth Matters include articles on upcoming events, an update on the Green Festival, information on No. 3 Green, and updates from the Council of Sanctuary.

CE/25.27 Council of Sanctuary Working Group

To receive any updates and agree any action required including:

25.27.1 To consider and agree on the publication of testimonies and other relevant information relating to Horsforth Town of Sanctuary and the work of the Council of Sanctuary Working Group

Resolved to publish the information with a trigger warning. It was further **resolved** that Cllr Gillinder be authorised to arrange for volunteers to carry out work in Hall Park on behalf of the Town Council, in liaison with the relevant community groups.

CE/25.28 Floral displays and Jubilee Garden

To receive an update and agree any action required including:

25.28.1 To receive an update about the meeting with stakeholders regarding the Biodiversity Policy and the floral displays

Cllr Bromley reported that she and Cllr Gains had met with representatives from Horsforth in Bloom and Horsforth Climate Action to share ideas and examples of good practice in sustainable and impactful planting, both from elsewhere and from Horsforth in Bloom's existing work. Suggestions included the use of larger ground-level planters with perennial plants and bulbs, which require less watering.

They have also spoken to businesses on New Road Side, who have expressed interest in being involved. Horsforth in Bloom plan to create an exemplar bed to demonstrate how hanging baskets could be reduced or replaced without diminishing the attractiveness of shopping areas. Consideration is being given to the size and layout of shopping frontages, as some spaces are smaller. The plan is to consult with residents and hold conversations at the Green Festival.

CE/25.29 Litter

To receive any updates and agree any action required including:

25.29.1 To receive an update about the Litter Picks taking place in October

Cllr Gillinder reported that she is liaising with P. Pinn and the Admin Assistant to organise the litter picks taking place each Sunday in October across all Wards.

CE/25.30 To consider matters requested by Councillors/Clerk and agree any necessary action:

25.30.1 To receive an update about the community actions stated in the Neighbourhood Plan.

There was no update and Cllr Goulden reported that the actions need to be monitored on an ongoing basis to ensure progress and alignment with the Council's objectives.

CE/25.31 Items for future agenda

No items requested.

CE/25.32 Matters for information

No further matters were raised.

CE/25.33 Date of the next Meeting

Next meeting of the Committee: 4th December 2025 Deadline for agenda items: 24th November 2025

The meeting dates were noted.

Section 3 – External Auditor's Report and Certificate 2024/25

In respect of

Horsforth Town Council - WY0043

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a limited assurance review is set out by the National Audit Office (NAO). A limited assurance review is not a full statutory audit, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website - https://www.nao.org.uk/code-auditpractice/guidance-and-information-for-auditors/

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- summarises the accounting records for the year ended 31 March 2025; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor's limited assurance opinion 2024/25
On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.
Other matters not affecting our opinion which we draw to the attention of the authority:
Other matters not alreeting our opinion which we draw to the attention of the additionty.
None.
3 External auditor certificate 2024/25 We certify that we have completed our review of Sections 1 and 2 of the Appual Governance and Accountability

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2025.

IT Policy

1. Introduction

Horsforth Town Council recognises the importance of effective and secure information technology (IT) and email usage in supporting its business, operations, and communications.

This policy outlines the guidelines and responsibilities for the appropriate use of IT resources and email by council members, employees, volunteers, and contractors.

2. Scope

This policy applies to all individuals who use Horsforth Town Council's IT resources, including computers, networks, software, devices, data, and email accounts.

3. Acceptable use of IT resources and email

Horsforth Town Council IT resources and email accounts are to be used for official council-related activities and tasks. Limited personal use is permitted, provided it does not interfere with work responsibilities or violate any part of this policy. All users must adhere to ethical standards, respect copyright and intellectual property rights, and avoid accessing inappropriate or offensive content.

4. Device and software usage

Where possible, authorised devices, software, and applications will be provided by Horsforth Town Council for work-related tasks.

Unauthorised installation of software on authorised devices, including personal software, is strictly prohibited due to security concerns.

5. Data management and security

All sensitive and confidential Horsforth Town Council data should be stored and transmitted securely using approved methods. Regular data backups should be performed to prevent data loss, and secure data destruction methods should be used when necessary.

6. Network and internet usage

Horsforth Town Council's network and internet connections should be used responsibly and efficiently for official purposes. Downloading and sharing copyrighted material without proper authorisation is prohibited.

7. Email communication

Email accounts provided by Horsforth Town Council are for official communication only. Emails should be professional and respectful in tone. Confidential or sensitive information must not be sent via email unless it is encrypted.

Be cautious with attachments and links to avoid phishing and malware. Verify the source before opening any attachments or clicking on links.

8. Password and account security

Horsforth Town Council users are responsible for maintaining the security of their accounts and passwords. Passwords should be strong and not shared with others. Regular password changes are encouraged to enhance security.

9. Mobile devices and remote Work

Mobile devices provided by Horsforth Town Council should be secured with passcodes and/or biometric authentication. When working remotely, users should follow the same security practices as if they were in the office.

10. Email monitoring

Horsforth Town Council reserves the right to monitor email communications to ensure compliance with this policy and relevant laws. Monitoring will be conducted in accordance with the Data Protection Act and GDPR.

11. Retention and archiving

Emails should be retained and archived in accordance with legal and regulatory requirements. Regularly review and delete unnecessary emails to maintain an organised inbox.

12. Reporting security incidents

All suspected security breaches or incidents should be reported immediately to the designated IT point of contact for investigation and resolution. Report any email-related security incidents or breaches to the IT administrator immediately.

13 Training and awareness

Horsforth Town Council will provide regular training and resources to educate users about IT security best practices, privacy concerns, and technology updates. All employees and councillors will receive regular training on email security and best practices.

14. Compliance and consequences

Breach of this IT and Email Policy may result in the suspension of IT privileges and further consequences as deemed appropriate.

15. Policy review

This policy will be reviewed annually to ensure its relevance and effectiveness. Updates may be made to address emerging technology trends and security measures.

16. Contacts

For IT-related enquiries or assistance, users can contact [insert name].

All staff and councillors are responsible for the safety and security of [insert name] parish council's IT and email systems. By adhering to this IT and Email Policy, Horsforth Town Council aims to create a secure and efficient IT environment that supports its mission and goals.

Adopted: 25th September 2025 Next review date: May 2026

Action Plan

This Action Plan is a statement of our vision and sets out the Council's purpose, objectives and key priorities. This is a key tool for communicating the Council's plans to residents and provides a clear understanding of how the Council works and the aims the Council wishes to achieve.

The plan is reviewed regularly to ensure that the plan is carefully monitored and that it aligns with the aspirations of the Council.

Horsforth Climate Action Report September '25

Green Festival

HCA have been focusing on the Green Festival on September 21st. At the time of writing this report, the Festival has yet to happen, but we are delighted with the connections with the local community and businesses this has brought and hope to build on that. We will be reviewing the Green Festival in early October. Thank you to HTC for their support and involvement in the event.

Funding and governance

Funding from Climate Action Leeds, a lottery funded 5 year project, ends on 30th September '25. However, HCA is determined to continue.

Currently a constituted group, we have our own bank account, but overall funds and the employment of the hub worker have been managed by our Local Employing Organisation – St Margaret's Church. Our Formal relationship with St Margaret's will come to an end on 30th September. All remaining funds have been transferred.

We withdrew our initial application to the charities Commission, due to the need to adjust and refocus, post our relationship with Climate Action Leeds. The intention is to reapply when things are more settled.

Due to an underspend on the hub worker role (we were without a hubworker for a period of time), HCA have offered Jenny Morgan, current hubworker, an extension of 3 months, on a freelance basis.

There is have additional underspend and money has been taken as donations, so the bank balance remains healthy for now, but will not support an ongoing contract for a paid hub worker. For the time being we will be concentrating on activities that are financially sustainable and/or looking at raising funds for specific projects.

Activities

We have been reviewing our activities, to make things more sustainable and within capacity, with the aim of growing organically and in response to the community. We are currently discussing our focus and constitution, aiming to concentrate on the local – engaging and enabling people to act locally and within their agency. Specific areas of focus are likely to include:

Monthly Repair Café – This is mostly self-sustaining, with some support for venue hire and management of funds. The RC will definitely continue and we are delighted they wish to remain under our umbrella.

Nature group and Nature Recovery Plan – Work will definitely continue and further research and development under is discussion.

Clothes Swap This is still to really take off but working in association with Old Kings Arms and Leeds Women's Aid, we are hoping to make this a success.

Raising awareness – through occasional, but not monthly, HCA Saturdays. Climate conversation events (like the nature recovery one), engagement in local events – Farmers market / Christmas events / Walk of Art - etc.

Working with member groups and building relationships – shared training, events and projects. We have worked closely with Friends of Horsforth Hall Park on the Green Festival and have close links with Friends of Hunger Hills Park and Horsforth in Bloom. We also regularly invite Horsforth Town of Sanctuary to take part in our events.

Building on relationships built with businesses – how this will happen is to be determined, but we would like to build on links that have been built via the Green Festival and other activities.

Work with Schools and Walk to School Week. We would like to build on relationships with schools but we have not yet determined how or if we have capacity. We would need to raise funds to repeat Walk to School Week.

Energy - HCA is also keen to develop things around energy and have some interest, but this will be developed when capacity allows

These activities will also continue:

- Community Composting, the latest community site being on Drury Field
- Mapping of Public Green spaces where nature is being helped
- Bioblitz Horsforth finding and recording the different plants and animals

Please note that the continuation and development of all of the above is yet to be formally agreed. It will also depend on the continued involvement of willing volunteers and a need to recruit more volunteers, including to strengthen the Steering group.

<u>Dementia Report - September 2025</u>

The ballroom reopening event being co-hosted by Leeds City Council, Home Instead, Dementia Friendly Horsforth (DFH) and MHA Communities Horsforth is being held at the library on Tuesday 23rd September from 10am to 1pm. The event will include entertainment, a raffle, various stalls and refreshments. Entrance is free and no booking is required.

DFH is looking into whether to sponsor some events to raise money for Calverlands. They are also looking to spread more awareness of how dementia can affect young people. Carol Shaw from DFH will be hosting a quiz to celebrate seven years of Young Dementia Hub.
